The Premises:

The same place as usual for Debbies Basement flat with a nicely kept Bedroom, Porn flick playing in the background, lots of fun toys knocking about!

The Lady:

Debbie has been described here many times before. Big boobs, nice curvy figure you can really sink your teeth into. Jenny, her partner in crime is more slender and tanned. Both of them have a filthy look in their eye from the moment you walk in.

The Story:

Well, today was Double Trouble at Debbies, so I was treated to Debbie AND Jenny. Debbie walked in first, sat on a table and decided I was wearing too much clothing for her liking. After a few moments Jenny joined us and I was piggy in the middle which was fantastic. These two obviously play together quite a bit because one immediately went down on the other. I was dragged (didn't take much) into the mix and lots of mutual nibbling went on. Jenny then pulled out a strap on which scared the life out of me until I realised she intended to use it on Debbie. After that, more nibbling and surprisingly squirting! Jenny seems to squirt at the drop of a hat, and by the end even Debbie managed to drench my hand.

Overall, this is probably the best experience I've had at Debbies, both were welcoming and treated me to an absolutely filthy experience. For next time tho, I must remember to stop laughing. I couldn't believe the situation I found myself in and spent the whole time laughing in disbelief. Hilarious.
