The Lady:

Lovely lady, just as the pictures a real stunner. Enhanced breasts, she has lost some weight since her pictures, much more toned if you like that!

The Story:

A couple of Valerie's reports i feel were unfair. I don;t for a second feel she is one to rush, I have had two punts and enjoyed both. As always, I had showered, scrubbed and was clean before my punt, and for that the reward was OWO, lots of close GFE. Guys, if you want a great time with this girl all she asks is that you wash! See you soon!
