The Premises:

Anyone looking for a 'minimalist' designer pad had better look elsewhere. This is Roxy's home, lived in, comfy, clean and welcoming, a flat at the end of a cul-de-sac on a council estate. I was given clear directions and felt safe finding my way there at night.

The Lady:

'Sex on (nice long) legs' Roxy is slim, arguably even 'skinny', but curvy in all the right places with nice round small tits and very suckable nipples. Roxy is not an immature dolly bird but a real grown up lady who knows how to please men. Shaved with a number of tasteful tattoos, particularly a lovely floral design encircling her left calf. Nicely dressed in black/pink basque and black knickers on her neat bum, lacy black holdups and fuck-me shoes. A lovely smile.

The Story:

I chose Roxy because of her excellent field reports -- only one negative out of 36 over several years. She's built up a good fan club and certainly deserves it. Her site boast she give the 'best blow job ever'. I'm not sure I'm qualified to confirm that claim, but there are no complaints from me.

She gave me a nice toy show and used her toys on me, whilst fucking (cow girl and doggie) and sucking. When I shot my load half way through, worked hard to bring me 'back to attention'.

Nothing was too much bother for Roxy, she even submitted to my rather ham-fisted massage, and if she doesn't actually enjoy bouncing around on strange mens' cocks she's a very good actress!

Roxy made me feel at home throughout and we discovered we'd child-hood experiences in common. I'll definitely be back for more.
