The Premises:

Ground-floor flat, not far from town centre, and with easy parking. It's a tidy place - Kim actually lives there - and it is warm and welcoming. Felt very safe and comfortable.

The Lady:

Very slim (I'd guess size 8), but tall and with longish blonde hair. Actually, not my instinctive choice of shape (I prefer curvy larger-titted women), and Kim is a bit challenged in the boob department. However, there is a seriously attractive upside: nipples are good and erect, skin is taut and toned, and legs are shapely and long. She was dressed, as requested, in stockings and suspenders and high heels; and she tells me that she has been in the trade a mere two months. Mind you, she's been a member of a swingers' club for 4 years! She also tells me that she is in her forties - but I don't believe it. She looks much younger.

The Story:

This woman is seriously good value - in more ways than one. She appears to enjoy the whole thing, and, if she doesn't, she is nominateable for an Oscar. We did everything: DFK, OWO, sex in mish, doggy, etc., and I shot cum on her face and in her mouth. All through, there was constant filthy-talk encouragement, and she seemed just to lap it up (as 'twere). I had a lovely massage to conclude, and Kim even offered me a drink (which I declined, on this occasion). Kim is a very sweet woman, and this is the first time that I feel so strongly ambivalent about submitting a favourable FR - because there's something about her, and I want to keep her to myself - and would ask fellow-punters to treat her well. She's a real find, especially since she confesses to being a genuine bi-sexual. Now, I am pondering just how to make best use of this information the next time I see her - which will be very soon. I do have one or two ideas, mainly involving my old friend Kelly (see previous FR).
