recent reports on punternet descibe Scarlett as an english rose, i would add she is a good looking girl with straight blonde hair and about a size 6/8

The Story:

after reading some good reports, it was a snowy day so decided to phone Scarlett and arrange a meet for 12.30, got there 10 mins early but phoned first and got let in no problem,, it was cold out so i was made a cup of tea, she was dressed in black bra knickers and hold ups and a dressing gown, got down to some serious kissing deep french just as i like it, i told her i liked kissing down under and she said yes please i love it, she did indeed get very creamy what followed was owo and sex in 4 or 5 positions mostly kissing while fucking, before we started she told me she did not do a or cim but everything else was on offer, my advise see this girl while you can i think she will move on to pole dancing real soon she really is a smashing girl
