### The Premises:

well known hotel group very nice room as expected. good parking.

### The Lady:

a stunning young lady . well spoken and very polite, she made me feel welcome and relaxed. slim and very tall with amazing legs. can tell she looks after herself and she is real no fake plastic bits which i hate. gorgeous pert tits and her arse is incredible what ever i write will not do her justice.

### The Story:

started with a really good topless full body massage. rubbing her nipples on me and wiggling her bum for me to see. was hard in seconds so on with condom n good god. i dont know what she does with it in her mouth but bloody hell it was good. onto reverse oral and what a sweet little pussy she has.

sex was mind blowing very enerjectic lots of fun positions. make sure u get her in doggy the view is great.

once finished offered another massage and had a sexy joint shower. a very enjoyable experience. worth every penny and more
