The Premises:

Discreet house located near the tube station. Door answered by a man who guided into a waiting room. All appeared OK.

The Lady:

Tanned, asian looking or south american girl. Good looking with curvaceous hips, 5'8". Polite and considerate. Small cup size.

The Story:

Started off with her sitting on bed giving me oral with, enjoyed cupping her pert breasts and watching in the mirror as she bounced her head up and down on my cock.

After 5 min, put her in doggy style position and took her from behind, again watching in the mirror, she has nice tattoos on her lower back, pumped for another 5 min and shot my load. Good girl, good price.
