The Story:

Got sorted and ready for shower and action. I was hard but her hands and mouth worked over me for 10 mins. Hard to deny her so let her tosss me off. Waited for 10 mins and then off we went again. Hands and and mouth soon fixed what they had done before and i was hard again and ready hump her. Started behind for doggy and then into misionary and humped her for 5 mins and that did it for me. Lovely girl and definitely a good un and great VGM.
