The Premises:

Entrance was pretty discreet, quite secure looking if not a little bit intimidating, but fine once you get through the door - the room itself was clean although there was no DVD's playing as advertised.

The Lady:

Very toned and slight Thai girl, not usually my type but she was good looking, it was an early punt in a 24 parlor so guess I cant be too dissapointed that she had just got up, but still looked the part

The Story:

Well it did the trick - was horny and wanted a shag and thats what i got - but not much else. Was given a decent massage, then proceeded to turn me over and suck my cock - was certainly arousing stroking her smooth dark skin. I then proceeded to riding her on top until I came.

I'm going to say this was a satisfactory punt since Jasmin was a friendly girl, albeit a slightly tired one - I'm sure at an earlier time she would have been spot on, as her body certainly was!
