The Lady:

Well the woman i booked "Charlize" wasn't the person from the photos from the site.

The Story:

i should have known better when i read the same thing happened to another punter when using this agency. i was told the photos of Charlize were genuine when i booked, but she definitely wasn't the same girl. The girl instead was a 5'6 blonde, though not that bad looking, but she wasn't the girl i booked and was very disappointed. It does question this agency as i dont know how many of there girls are actual girls who works for them.

i would avoid using this agency as you just dont know what you're going to get
