The Lady:

stunning!!. amber is a nutter in the nicest possible way and chats you to death first which puts you so much at ease, i felt i had known her years. great figure with those great boobs bursting out of her bra, had me hard straight away. easy tiger!!.

The Story:

awesome, best punting experience for me yet. owo was first up and boy does this girl know how to do it well. then onto me giving oral which i think amber enjoyed, sweet tasting pussy then onto sex with cowgirl, missionary and a bit of doggie.by then i was too close, would love to have really fucked her hard, so onto owo again to completion, fantastic.

this girl is the friendliest i have come across, and the horniest, some of her stories were stiffening enough and i for one will be back.treat her well guys, amber, thanks, easy tiger!!..
