Service Provider's Rebuttal

Shannon writes:

get a life mate. for starters i was late and as u were kept waiting i gave you owo for free,you had a ?60 service for ?50, and why put time spent was 30 mins at the top of your report if you say 10 mins at the end of it ! it seems from the other reports you have done that your only happy with picking up girls in your car and paying ?20 so i suggest you leave the private establishments for the more respectable clients and stick 2 searching the streets x
