The Premises:

New house in quiet close in residential area, not far from main road. Discreet entrance. I think they have parking for visitors in the close, but I parked round the corner. Easy free parking all around the area. Impeccable decor and furnishings.

The Lady:

A lovely, unspoilt girl with a perfect body (a shapely toned size 8), a beautiful face and long curly blonde hair. No tattoos or ironmongery. Probably about 5' 4". Looks younger than her 22 years. Has the appeal of a gorgeous girl-next-door type. Sexy without being tarty.

The Story:

First FR ever from me. Took several years to get round to it. It never seemed worth writing the first one because of the 'one-time reviewer' label. But you have to start somewhere. So this is it.

I'd been trying to find Gemma ever since the demise of Chantelles around the beginning of 2008, so I was delighted to see a recent review for her. This new place has no web presence and is not visible outside the local area except by reviews. The colour of her hair has changed since I last saw her, but she was the same Gemma.

As well as her looks, her attitude makes her stand out. She is just so damned nice. Really friendly and easy to talk to.

She started by asking what I like, (always a good sign) and we went through OWO, 69, cowgirl, mish, lots of cuddling and kissing, and a skilled handjob to finish, after I'd wilted. (She does kiss, but no tongues. She makes that clear in the nicest possible way.)

If you want a girl who's lovely to look at and great fun to be with, Gemma is one of the best.
