The Premises:

Smallish flat, reasonably clean and cosy.

The Lady:

Blonde, has been here for a few years and that's when the photos were taken. Pasty white skin, saggy boobs and a bad attitude. Stunk of fags and the ash tray is left by the window in the bathroom.

The Story:

This was a discounted booking after my poor punt of the same agency. This one was just as poor. Shown into bedroom and asked for a "present", then instructed to have shower.

Only managed to come once, could be bothered to try a second time that's me who couldn't be bothered, but I don't think it was on offer. She just sat there staring at the wall.

Obviously this agency is far from the best one.
