The Premises:

A mansion block within yards of Bayswater tube. A nice bedroom but bathroom was a little tired as an old mansion block.

The Lady:

I cannot believe that Vivienne has not has any Punternet reports. She is an amazing lithe young Russian girl with long legs, pert breasts and a pouting lower lip. She has something of the James Bond girl about her. She looks very much like her photos.

The Story:

I was greeted by Vivienne wearing a red sort of short ball dress.... after a quick shower we lay on the bed and I was delighted to find Vivienne naked underneath her dress - my hand stroking Vivienne's bush of pubic hair. Vivienne gave good OWO and we had sex in a variety of positions. Her sexy Russian smile and twinkling eyes lighting up a very wet saturday afternoon. A lovely girl.
