The Premises:

Rather shabby downstairs but much better in the "work rooms" upstairs. The front room, which we used, is very large, clean and airy. Plenty of free parking nearby and on a bus route.

The Lady:

Slightly chubby Spanish girl, fair hair, ready and willing

The Story:

I'd made a special effort to make a visit north of the Thames to see the new Indian girl, but I was pipped at the post by at least one other punter and so because I did not have too much time settled for Paula.

Well, what she lacked in looks she certainly made up for in effort and enthusiasm. I had a very pleasurable and dirty session with a very willing lady! Very little within the bounds of "safe sex" was not available from her.

If you like your ladies on the chubby side you will have a ball, pardon the pun, but even if this shape/size of lady is not your cup of tea you should, like me, leave well and truly satisfied.
