The Story:

This was really good, if not the best. Connie was quite shy in the lounge, but I thought she looked nice. In the cabin she was fantastic, spending ages on a massage, giving me a blowjob from behind and licking me everywhere. She can deep throat and give that porn-star look while sucking your willie. She just wants to please you and then asks where you want to cum (while gently pointing out that to do cim is ?15 extra). She's great!
