The Premises:

A well known establishment close to the station.

The Lady:

Very pretty Lithuanian girl in her mid twenties. About 5 ft 6 inches tall with an amazing natural E cup boobs. Arguably the best boobs that I have ever seen. She doesn't only have a body to die for, but also a great personality as well.

The Story:

I went for the ?100 (a bit of everything option) and I almost got everything that I wanted apart from French Kissing.

Although there was no French Kissing, Sara made it up for me by giving the best OWO that I have ever had. She started off by licking along the shaft and the tip for a few minutes before putting it into her mouth and gave me some deep and slow oral. She eventually increased the pace and I had to tell her to slow down or else I would cum. I then went down on her and her pussy was delicious.

She then put the rubber on, went on top of me and started riding me with her massive natural boobs bouncing up and down, and this was the scene that I will remember for a very long time.

Overall, this was an excellent punt.

Thanks Sara again for your wonderful company and I am sure I will be back again.
