The Lady:

Pictures on the web are completely accurate and if anything she is better looking in the flesh. Nicely dressed and looked great. She also goes by the name Kandi and works in the london area too.

The Story:

There are few escorts you would want to visit again, Caitland is one of these you could easily fall for. Excellent punt.

Started with RO on her which is really likes and she did come not a fake. Then moved to face sitting and she came again. The to OWO finish with CIM but does not swallow.

Had a nice chat and cuddle. She started moves to round 2 without prompting. Started with RO again as was having trouble getting hard (my fault) and she came a 3rd time. Started getting hard so on with the mac and her on top. Finally finished in her mouth but old chap was empty. Too old for twice in 45mins!

Great Punt will visit again. Excellent addition to Annabella's/HoD
