The Story:

I still have a smile pasted on my face from our meeting two days ago. She has Amazing OWO skill which had it's desired effect with in minutes. She followed this up with a fantastic Full BTB massage the like of which I had never experienced. We talked for sometime about films which was great as we had seen the same Thai films. Then it was back to some light kissing followed by some more action (Cowgirl and mish). She is very talented in massage, I felt very invigorated from the experience. Of the 6 Escorts I have seen-to-date, Definately the best experience and in no way rushed.
