The Premises:

Met her in her hotel room. The location was very discrete as was access to her room. Parking was free and everything felt very safe. The room was perfect with excellent facilities ... she and Judy have made a very good choice there.

The Lady:

Patricia is as described on Judy's web site although, and I know it's a cliché, I have to say that her pics do not do her justice ... Patricia is a very attractive and sexy lady with an adventurous glint in her eye. She hails from North Wales and visits Judy's every month or so ... Judy has another fine mature gem for us to play around with!

The Story:

When Patricia opened the room door I immediately knew that I wasn't going to be disappointed.

Dressed in a sexy red wrap-around dress, stockings and heels, she greeted me with a full-on kiss and things just progressed from there. We even exchanged the paperwork while she was stroking my cock and getting me worked up! She's got a good body and knows full well how to use it. Patricia is a lady who really enjoys giving pleasure and that's just one of the things that we have in common this was a fun-filled hour of mutual pleasure and gratification. She certainly knows her way around the male anatomy and returned time and time again to give my cock a wonderful BB blow job that involved deep sucking, licking and ball play. Patricia enjoys herself and her pleasure was not to be denied as I got in between her lovely thighs and gave that pussy of hers a thoroughly good licking and sucking in return. She's a very responsive lady and gave every encouragement to my tongue play, both vocal and physical. Sex (with, naturally) was in a mish and very enjoyable it was too! The fun didn't end there as Patricia did her utmost to conjure up a second cumming from me but it wasn't to be (my fault not her's: note to self ... don't have a wank to her pics before the next meeting!).

In short, my time with Patricia was a fabulous fun-filled hour (and a bit) of mutual pleasure (giving and receiving) and I wished that I had booked longer with this horny Welsh lady as I'm sure she's got lots more to her adventurous nature than I was able to enjoy in the time we had. Patricia, if you

read this, many thanks for a wonderful time and I'll do my best to see you on your next adventurous visit!
