The Premises:

Really lovely country farmhouse being re-developed/refurbished along a country lane. The bedroom was large and warm and the whole place very characterful - really liked it

The Lady:

An absolute stunner! Better than her photos. Sandy has a beautiful figure and really knows how to show it off with some very nice and stylish (and expensive I'm sure!) clothes. Quite frankly this lady is perfect in so many ways and I was somewhat taken aback.

The Story:

Apart from her stunning looks and voluptuous curves, Sandy has the most incredible personality. I suspected someone special having spoken to her on the phone a couple of times before meeting her, but the reality of her warmth, intelligence and general 'fun to be with nature' was a delight - I could fall in love with Sandy no problem - in fact I think I have as she knows. She is a darling woman.

Her body is superb. Her skin is so soft. Her stomach is flat and her smooth vagina so sweet. She kisses warmly and is a delight and true pleasure to be with. What is her very best bit? - without a doubt her bottom - but EVERYTHING else isn't far behind.

Sandy is the best and I just know I'll be back soon. Gorgeous woman! XXXX
