### The Premises:

Unremarkable lower ground floor flat with own entrance. Good shower room, good privacy and nice atmosphere with a glass of wine offered on arrival and the mood set with lighted candles.

### The Lady:

Latino with long dark hair and dark flashing eyes. Naturally busty, a few extra pounds but all in nice proportion. Beautiful smooth soft and responsive skin.

### The Story:

Jennifer had only basic english but brought pleasure in every other way. She warmed up quickly and after a very intense session of 69 followed kissing, lots of tongue, she made it clear she wanted a good seeing to in every position. Lots of moaning and squirming which didn't seem to be just an act.

Though she looked like she was approaching climax I just couldn't hold on and had to shoot my load.

While I lay exhausted she used magical lips to bring me back to life, lots of licking and sucking round my balls for a good period until I was rock hard again. While I lay back and thought of Brazil she slid herself on to me again - she seemed determined to finish what I had started and I was a happy for that.

Unusually soon for me, I found myself getting close to climax again (I think it was the sight of Jennifer riding herself to a frenzy) and came just after she shuddered with her orgasm - a sublime moment!

It felt good too as she snuggled in my arms for a mutual warm-down then, after a few minutes, led me for a mutual soaping in the shower.

All in all, a very good girlfriend type experience with lots of action and not too much talk!
