The Premises:

Very clean and tidy home on the East side of the City. Nice area with safe parking on the street outside. It was dark when I arrived, but easy to find. I had my sat-nav and Cat gave me her address.

The Lady:

Blonde, curvy, nice eyes and fantastic tits. Just look at her photos on her website. What you see is what you get.

The Story:

I have seen Cat many times before over the last 3 years and I don't know why I have not reported on her. Anyway she is always fun to be with, and I always enjoy myself. This time I was having a 'bad' week and feeling a little bit fed up, so I decided to see Cat at the last minute on Friday night. Luckily she was able to fit me in. I just needed some female company for an hour.

Cat can talk for hours, which is just as well. as I am normally a quiet and shy person, but she gets the best out of me.

I wont go into too much detail of what went on in her bedroom, but she tried some tie & tease on me, the 1st time for me, and she gives the best bbbj in Yorkshire. Definitely recommended and I will keep seeing her again.
