The Premises:

Large block of council flats in a fairly rough area. Seemed safe enough at this time though. Grotty inside - no wallpaper, dim lighting etc.

The Lady:

I was very pleasantly surprised after previous descriptions. Tall, slim, pretty face. A fantastic body for my tastes - very slim, very small breasts, well shaved pussy. Nice girl to talk to and very complimentary. Only slight downside was her hair could have done with a wash. Would have thought she was early 20s rather than the 18 described elsewhere.

The Story:

Good punt overall - paid ?50 for OWO with CIM. Got undressed and she stripped off too to reveal her excellent body. She sat on the bed and, after a very sore wipe of the old man with some kitchen roll, started giving me a superb blow job before laying back and inviting me to go down on her in return. Had a great time doing this and she seemed to be enjoying herself, although you can never tell! Tasted excellent and seemed very clean, contrary to previous FRs. Then offered sex - I accepted which proved a slight mistake - somehow she put on the condom very tight which made me cum very quickly. Whipped it off as quickly as I could and came all over her face rather than in her mouth.

All in all a good punt for the money with a pretty, enthusiastic girl. I'll be back when I get the chance.
