### The Premises:

Room in Victoria. Clean and tidy.

### The Lady:

Just like her photos.

### The Story:

Leah is a beautiful lady with a wonderful toned body and enhanced boobs.

Unfortunately, her service fell some way short. No kissing. Barely consented to cuddling. Her blowjob was covered (blueberry flavoured condom) and was actually pretty good. Fair enough but when we were lying on the bed she was so far away from any possible contact with my cock that I'm surprised she didn't fall off the bed. Everything seemed very rushed and she was more than eager to boot me out the door.

Forget GFE or PSE, this was an FE, Forgettable Experience.

Maybe I caught her on an off day and others might get more out of an encounter than I did, but I won't be returning.
