### The Premises:

Luxuriously furnished flat above a shop on a main road. The entrance is via a very exposed wrought iron stairway to the rear, in full view of an old peoples home, I'm sure the residents know what is going on!

### The Lady:

Tall, busty and attractive Cypriot girl, 5' 8" tall with long raven black hair. Very friendly and outgoing nature and very eager to please.

### The Story:

Having been dismissed early from work on the second day of snow I found myself inexorably drawn towards Elmers End on the maids description of Annie. I was not disappointed, either by her appearance or by her attitude and enthusiasm!

After some mutual caressing I found that she was more than happy to engage in one of my little kinks, one which very few girls will engage in, it's not that perverted by the way!

We then had sex in several positions, culminating in doggy where I pumped away happily behind her pleasantly curvaceous posterior, coming to a strong and satisfying climax.

She was then in no rush, taking her time to clean me up and send me back into the snow with a very warm glow within. Highly recommended.
