The Premises:

The apartment is easy to find just off the ring round and has secure off rd parking. It has a secure buzzer entry system so nobody knows where your going. I felt safe at all time there. The apartment is cosy clean and fresh. Very nice

The Lady:

What can i say extremly sexual and drop dead gorgeous. all the right curves in all the right places. The most come to bed eyes i have ever seen. Smooth silky skin that you will never want to stop touching

The Story:

Within seconds of walking in i recieved the most intense kiss i have experienced in a long time. led to the bedroom where i was pushed against the wall! more kissing then slowly Trisha dropped to her knees and gave a perfect BJ to cim whilst looking up at me which sent me over the edge. She really does have the most captivating eyes. I undressed and lay on the bed we chatted for a few minutes and it felt like we know each other for ages. I started kissing her again and started to play with the softest shaven pussy. Within seconds moaning then squirting what an experience i had to see for myself and went down for ages on her and agin she came. We ended up doing doggy and her ontop. She really puts her heart into it. I came 3 times for me which is unheard of for me so it shows how good it was. Cant wait to go back, she is amazing. If you want the best gfe look no further. If you want dirty she is the oneas well. The perfect package
