The Premises:

it is in a nice little side street, that is very quiet and looks to be very safe.

The Lady:

curves in all the right places, wonderful breasts, a great arse and a wonderful shaven pussy. Rachel is even better in the flesh than in her pictures.

The Story:

I have been trying to arrange a visit to see Rachel for ages and finally got round to it.

I was not disappointed at all, Rachel is very accomodating and she put me at ease straight away.

On arrival I was buzzed in and rachel was dressed as I had asked in nice black underwear with a zipp fronted dress that left little to the imagination.

We started in the lounge with coffee and a chat to get to know each other, it was then onto the bedroom for the fun stuff.

I wont go into detail but I indulged in Rachel's wonderful oral skills and returned the favour to give Rachel the first of her four orgasm's, after a break for a coffee it was onto round 2 and great tie and tease and Rachel's best organs with her kneeling over me, for round three it was back to normal and finally finishing off with a wonderful massage from Rachel.

Everything that was on Rachel's likes list on AW was available and there were no hidden extra's.

I WILL be seeing Rachel again as soon as I can and I would recommend Rachel to go and see, treat this lady well and she will return the favour in spades.

P.S> ignore the 5/10 rating on AW I forgot to change it to 10/10 because that it what Rachel is 10/10 in fact I would give her a higher rating if I could.
