The Premises:

Clean tidy, 3rd storey townhouse. Felt a little uneasy at first but seemed discrete and quite safe. Parking available outside. She has a nice car and assures me that she hasn't had any problems. House was warm and tidy. Bedroom was clean and comfortable with shower available.

The Lady:

28 year old long legs plus high heeled boots, brunette hair, not thin, not fat, I was happy. Very lively and bubbly personality, really chatty on the phone. She has a big smile and wonderful lips(both sets)Good arse observed from behind up three flights of stairs. Intelligent girl who knows how to provide a service whilst enjoying the time herself.

The Story:

Phoned from the area Sophia had told me, and she asked me to give her 5 minutes to prepare herself. Nocked on the door greeted by a big smile from Sophia then up the stairs studying a very nice bottom. In the room straight into full on kissing,tasted nice and felt good. Sophia's arse felt nice and gradually she knelt down on her knees to give my lower regions some attention. She appreciated that I had disposed of any hair and gave a top qaulity session of owo. I told her that I LOVE giving pussy some attention and she was eager to recieve. I lost track of time as I tasted her very sweet lips and indulged in my passion of licking and sucking her wonderful honey pot. I could have stayed all night but hey I'm not that rich or lucky.I had a quick session of doggy, then back to owo (very nice)prepared for an explosion of professional swimmers to rush to her mouth where they expertly attached themselves to her tongue. Bless the lord!

Had a nice chat after and hope that I didn't outstay my welcome. No rush, it was me that noticed I had run over Sophia was fine.

She responds well and wants to make you happy. What else could a man ask for? A wife that will do the same thing! I should be so lucky.I will return.
