The Premises:

Apartment. Only saw the bedroom which was a little spartan but ok. Got a pole in the middle of the room!

The Lady:

Very attractive Portugese girl. As photos.

The Story:

Arrived and was shown to the bedroom. Pamela was wearing a short skirt and heels.

Was a little surprised as her photos give the impression she is moderately curvacious. In fact a very skinny girl. Nice arse though.

Pamela told me to get undressed - she was playing around on her phone and then looking for music on her laptop. Not a good start. Finally got down to some kissing, asked for a quick pole dance, more kssing followed and I picked her up and pinned her against the wall. Dry humping followed by a blowjob and then a shag on top to finish.

One of the less professional girls I have seen but I would still recommend her, even though I wont be going back.
