### The Premises:

one of the better city centre hotels. Large room and very clean.

### The Lady:

Exactly as described on her website.

### The Story:

I don't normally do reviews but this lady is very special and is deserving of this and all her previous good reviews. This was my second time with Trisha and i have no doubt if she comes back this way i will see her again.

It is unusual to click with someone the first time you meet but i did with Trisha and it made the meeting more pleasureable. I don't have to tell you what went on as if you have read the many reports and looked at the website, there is something for everyone. Trisha ticked all the boxes for me and i am sure will do for anyone out there. Thanks babes xx
