The Story:

Another bout of gawking as usual with good looking girls but getting better at recovery lol. Soon fely comfortable and sorted out the prlims. She is good with hands and sucks very well especially when helped out with those hands. ^9 was good fun and she tasted good. Let her start shagging in cg as I wanted to watch her body at work after 5 mins into doggy and mish for the final bust. All very nice indeed from a girl who is good at sex. VGM I think.
