The Story:

Had a brief window before being due back in the office for a meeting so decided to go for a quickie. Told her i only had 10 minutes before i needed to get going. Paid and when she returned immediately put on the condom with her mouth and some very nice oral with plenty of effort to please on her part. Was keen on giving her a pounding in doggy so stopped her before i got too close, gestered to her to move to doggy and slipped in, lasted for a couple of minutes but eventually shot my load inside her while holding her gorgeous bum cheeks while she encouraged me & wriggled around sliding back onto my cock & pressing against me. Very nice quickie & may well return, a good service and a nice price !. Was fully relaxed before getting back to the office with a few minutes to spare.
