### The Premises:

Very nice, discreet house in Milton Keynes

### The Lady:

Beautiful girl with a fabulous personality, sparkly eyes and a cheeky smile. Bonnie is a petite brunette with a lovely figure.

### The Story:

Bonnie greeted me wearing some very sexy lingerie. As it was the first time we had met each other we had a drink and a chat first.

This was a nice way to start off our time together and apart from my physical attraction to her, I was also attracted to her warm and friendly personality.

We then went off to the bedroom where Bonnie got me to undress and proceeded to give me the best massage I have ever had. Bonnie is a trained masseuse and builds up the anticipation and pleasure in a wonderful way. The final part of the massage was needless to say the best part. This is where Bonnie deviated slightly from what she was taught at massage school and performed a little striptease for me, revealing her pert breasts and wiggling her very sexy bum. Covering us in oil, Bonnie then gave me a body to body massage laying on top of me, rubbing and grinding herself against me. I would love to have been able to see what she was actually doing to me because it felt amazing.

I wanted us to do whatever Bonnie really enjoyed and she wasted no time in getting out her toy box! Out came her favourite magic wand which she loves to use on herself and doesn't mind if you watch her whilst she gets herself off. So that I didn't feel left out, Bonnie gave me some gentle anal stimulation with another of her toys and then put the magic wand between my bum and her pussy to get us both really going.

What then followed was a wonderful GFE that got progressively naughtier. We started off with lots of kissing and touching which I love, before moving on to performing some very enthusiastic oral on each other. Bonnie then said she wanted my cock inside her pussy so we then proceeded to have

sex in a few different positions my favourite being with the two of us sitting facing eachother. The tempo built up steadily to a vigorous pace and by the time we both came we were both roasting hot and gasping for a drink!

In short, Bonnie is a very sexy girl with a great personality and I am definatley going to see her again very soon. I hope she enjoyed our time together as much as I did.
