### The Premises:

Julie's home, a semi-detached house in a good neighborhood, is easy to find if you just listen to the instructions! Safe, secure and clean. Easy, safe parking in side street.

### The Lady:

Julie is a 42 years old, blonde, about 5'8" with a slim, toned and sexy body. Her long legs, stockinged when I saw them, and sensitive nipples are particularly impressive. Fully shaven.

### The Story:

Meeting a lady in her own home has a special buzz; if only because she will invariably open the door fully clothed which, for me, heightens the anticipation.

After a warm welcome and refreshment, to the bedroom, the pleasure of disrobing and the discovery of a superbly smooth body. Plenty of french kissing and absolutely splendid OWO/CIM and swallowed - all expertly and enthusiastically performed. Sweet reverse oral thoroughly enjoyed, by me at least. Intercourse was, of course, protected and would probably have been more enjoyable for both if I wasn't so large; ok fat.

Julie is able to put you at ease if you are a little nervous with good easy conversation. No website but advertises on another adult site under the name Julie Romford - profile and photographs there are totally accurate.

A lovely lady and a most enjoyable meeting.
