### The Premises:

New flat near to Chancery Lane tube station. This was clean & tidy with the basic furnishings.

### The Lady:

Shakira is an reasonably attractive indian lady who is in her early to mid 20's, with a friendly personality.

### The Story:

Over all a fairly avarage punt:

Started with a massage which was a bit lame with very little effort put in.

Things did improve with the BJ, as Shakira does have some prety good oral skills.

Finished off with sex followed by a tit wank (covered).
