The Premises:

Babes in Bury, say no more, always immaculate there, and always like to have a sit down in front of the big screen with a drink, watching the ladies walk through

The Lady:

Description accurate as is always here, early twenties, absolutely gorgeous, green eyes, an absolute babe, who is a tiny package of joy. Very dark hair, black even, best arse I've seen in a long long time! On a perfect slim frame, small breasts but perfect!

The Story:

Remember this lady working here a couple of years ago and she has got better with the years. Hit it off with this lady straight away, don't think she remembered me and didn't mention I remembered her, great conversation, and felt very at ease with her. Oral was awesome and the sex was just brilliant, the sight of that perfect arse from behind was too good to be true. Several positions, nothing any trouble whatsoever. This girl is a gem as she always was! A perfect ending to my day today up North. Thanks Tegan!
