### The Premises:

very smart flat above a shop in cheam village,entrance is discreet and there is a fair sized car park very close by.cheam station is no more than 3 minutes walk.

### The Lady:

holly is a very petite 22year old,though she looks more like 18 or19,she is about a size 8 with long dark hair and lovely blue eyes,she has a perfect figure and a really pretty face,and a beautiful cheeky smile to go with it.

### The Story:

holly is a real find,she is really friendly and very very responsive in the room, started with a massage which soon led to holly gently squeezing my balls and commenting on how nice and hard my cock was,she then got me to turn over and started sucking it with great tachnique and skill, after lots more of this and plenty of kissing and cuddling it was on with the condom and a really sensual fuck in missionary positon,god it was soooo good! afterwards i spent some time licking her pussy which she seemed to really enjoy. treat her nicely and you will have a great time.
