The Premises:

As usual room was spotless. I have been a customer of Debbies for over 10 years and know her premises well. Premises very discreet with rear entrance for regulars.

The Lady:

Curvy Polish girl. Round soft breasts with firm erect nipples. Full vulva with a lovely hint of thick black pubic hair. Round bottom and tight pert anus. Sublime taste

The Story:

Started by agreeing fee and then she heard my confession of the dirty things I had been doing. Agreed that I needed a spanking and she promptly picked up a riding crop from the floor and commenced to lay into my buttocks. As it began to hurt I felt the urge to spread and she administered a few deft flicks in my crack. What bliss! After she turned me over for a few minutes of oral (with condom) whilst I licked and kissed her beautiful pussy and bumhole. Finally I suggested that I needed to be watched and we were able to call in the maid who was persuaded to strip and watch. To my surprise she was shaved and had lovely sticky out pussy lips. Finished with doggy sex with maid watching. Over all too soon.
