### The Premises:

Easy to get too, the flat was clean, neat and tidy, minimal decour.

### The Lady:

Alycia, Antonia, Cleo, Jasmine, Jewels, Monique, Paloma. All girls were attractive and most look better than photos on their sites. The mix of girls is perfect something different to taste at single party

### The Story:

First time i have tried a party like this, after reading many reports I decided to take the plunge and dive into one. What discovered was two hours sheer sexual delights.

The hostess was pleasent and kept party flowing, making sure all gentleman guests got action with all the ladies. of ladie present antonia and jewels were delightfull, but praise has to be given to cleo, a fantastic body, a great arse, and brings best out of man.

To those like me unsure of parties like this I suggest go for it, i had brilliant time
