The Story:

So I stumbled into my favourite Edinburgh haunt, looking for Tania (obviously)but she wasn't in. Never mind - I'd spotted a familiar face in the lounge; the gorgeous Jasmin (or is it Yasmine - who knows?). I'd seen Jasmin about a year ago so I walked in and took her hand. She told me she recognised me (flattery is sooo sexy in a woman)- and within minutes we were buck naked and doing rude things. Now here is the really unique thing about Jasmin: she kisses! Yes guys - she kisses - I'm talking about long lingering deeply sexy tongues and lips sucking and biting. Wow - but I'd forgotten how damn erotic a good kissing session can be. I'd warned Jasmin that I can be a little slow to get going (true)- but here we were - standing face to face naked going nippy licky in each other's mouths and wham - eat your heart out Priaps.

So what is there to know about Jasmin. (1) she is a yorkshire girl (2) she is downright lovely (3) she takes her time and like a long cuddle when its all over (4) she fucks like a rabbit. Oh and (5) she never stops talking. But hey, I like that in an escort.

So Jasmin, thank you. You are simply gorgeous and thanks for remembering me - really. I'm sure we'll meet again.
