The Premises:

Backstreet terraced house in a very quiet area, easy parking and not a lot of people around, really friendly maid who i spent 10 mins talking to, was offered the services of Deanna.

The Lady:

Wow, a stunning 5ft 6in blond haired beauty, eastern european, took me upstairs where i was given the option of 60 owo or 80 inc anal, decided to go for the 60 as it was my first time here.

she left the room, came back and just pinned me against the wall, groping and clawing at my trousers while sticking her tounge down my throat, got on her hands and knees and took my cock in her mouth, balls deep.

She bent over and stuck her ass in my face and i perceded to lick her beautiful pussy, i love pussy, in fact its a turn on to make a woman come in my face but wow, what a tasty one.

ate my cock some more and finished off riding my cock and banging her hard from behind whilst playing with her asshole.

The Story:

Wow, I would be here again like a shot, i have been punting for a few years and i am only 31 but as my forst report, WOW
