The Premises:

Fairly descreet flat near the centre of Bournemouth. The entrance had other flats overlooking it and there was slight discomfort at waiting at the front door with about 8 other guys as they let us in two at a time, so they could sort out payment easily.

The interior was clean and nicely furnished. It was an open plan living room with adjoining kitchen. Refreshments in the way of sandwiches and cakes and all sorts of things were available and drinks were on hand from the very friendly bar/doorman.

Money was paid on entrance, then shown to a room where you changed into a robe. Up some stairs to the livingroom where the action was aplenty.

The Lady:

Sable. Literally paragraphs could be spent describing how gorgeous, sexy, sweet and attentive this beauty is. Simply put, just being in the prescence of this woman makes you want to cum. I wish I could take her away and keep her all to myself...lol

Cindy. I was pleasently suprised by Cindy. Her profile pictures do not do her justice. Already attractive in her profile, in real life however she is even more so. Her energy, and eagerness to please, buffers her attractiveness even more. Fantastic GG's as well!

Bebe (I think). A petite brunette with a lovely hispanic accent. Once again very eager to please and possibly the best oral I've ever had!

Saffi & Melinda (I think) were also there and other than the occasional fondle or grope whilst appreciating the other girls, I didnt get around to spending one on one time with them as I was far to engaged with the other three ladies.

The Story:

Being a first timer at a 'party' I found the first few minutes a little intimidating what with being in a room full of naked male strangers. That said, you very soon get distracted by watching everything going on and as soon one of the girls takes you in hand,'literally', you quickly become oblivious to the surrealness of the surroundings and just enjoy what you are there for. After 10 mins, my anxietys of self consciousness disappeared and I was happily moving around from girl to girl.

I started with oral from Cindy along with a tit wank followed by a session of doggy. After observing for a while I then had the most amazing oral from Bebe who allowed cim. After more observation, or recovery time....I went upstairs and took Sable from behind. Had a great two girl blowjob from Sable and Bebe and then finished in doggy with Sable again.

In hindsight, next time I come along to a party, I wont be so hesitate to join in. A lot of time was spent watching, which I did enjoy, but I could have got stuck in instead. The girls seemed more than happy to recieve attention from guys even whilst occupied with other guys.

Bar an Aston Martin or a winning lottery ticket, money couldn't be better spent!!
