### The Story:

I had never used Vixen's before but decided to give them a try as they had Oriental girls on offer. Pierre phoned me to say was going to arrive in 35 minutes or so. I was surprised by her excellent English. It turns out that she was born over here. Very cute and chatty. Opted for red wine and we chatted for 30-40 minutes before wandering upstairs. Really sexy body. Slim and toned. She offered a massage but I declined and started kissing and massaging her. After a while I went down on her and she seemed to derive some small pleasure from my amateurish fumbings... She then produced a condom and gave me enthusiastic OW before climbing aboard. After a few minutes she asked me to go on top which I duly did. That seemed to go well and I came most enjoyably! Washed and dressed then downstairs for a further chat and listening to CDs before time to go.
