### The Premises:

Terraced House in the town centre. Very clean & pleasantly furnished bedroom at 1st floor rear of house. Bathroom has ongoing refurbishment work. Free parking for up to one hour in near by street or longer term parking in town centre car parks.

### The Lady:

Short and chubby Indian girl in her early thirties. She is verging on a BBW with medium sized breasts and very well built around her hips and bottom. Very pleasant, obliging and outgoing personality. I did not initially find her attractive, but her personality, desire to please and enthusiasm for her profession very quickly won me over.

### The Story:

Jas has been on my "to do" list for about four years! I have had several abortive attempts to see her, so when she actually opened her front door to me the sight that met my eyes was a bit of a disappointment, she was older and not as attractive as the picture I had been holding in my mind's eye.

However she welcomed me in, ushered me to the rear upstairs bedroom. I offered her the consideration and whilst I was undressing she went and made me a nice cup of Rosie Lee.

She also undressed and we moved straight to the comfortable double bed, no towels to spread, she provides a fresh sheet for every customer. After a short while she asked me what in particular turned me on and I teasingly said "that's for you to find out"

Well I had paid for OWO and sex. Her OWO was exquisite whilst a covered finger stimulated another part of my nether regions. Eventually we moved on to sex in doggy where my thighs slapped away happily against her magnificent spreading posterior. As has been alluded to in some previous report(s) she is quite tight and I can understand how someone with a cock thicker than mine, or a cock not as rigid, might have problems penetrating her.

I pumped away eventually coming to a gentle but very satisfying climax.

Jas is no clock watcher, we went well over the allotted time and there was not the slightest hint of her rushing me. I enjoyed a very pleasant and erotic session with a very sexy and accomodating lady, who very definitely enjoys her chosed profession.

Highly Recommended.
