The Premises:

Quaint old cottage set off a main road. Very nicely done out, lots of character.

The Lady:

Ruth is a very fit lady in all senses of the word - she runs and works out, and has a beautifully slim figure with 34A breasts. Lovely strawberry blonde hair.

The Story:

This was a last-minute appointment, and I think I was lucky to find Ruth available at short notice. We sat and chatted for a few moments - Ruth says her 'take it slow' approach is appreciated by her clients and I second that! It all felt very relaxed and natural as we started kissing and stroking, Ruth's stockings were a particularly nice surprise for me.

Ruth then led me upstairs to her bedroom where we explored quite how flexible her lithe body can be. After various antics she finished me off OWO, which was spectacular. We lay and chatted for some time in the afterglow, so much so that when I finally got up to leave I realised I had seriously exceeded my time - however, Ruth could see her clock from where she was, and so I guess she was OK about it. Very highly recommended.
