Profile Name: Super Busty Sophie 36HH

The Premises:

My first incall to a hotel but I need not have worried. The hotel was discreet with no need to go anywhere near the reception area. Parking was safe and secure and the room clean and comfortable.

The Lady:

Sophie chooses not to show her face on the internet, but you will not be disappointed - she is very pretty with long blonde hair. Her presentation is immaculate. A black basque (with the obligatory stockings) showed off her hour-glass figure to perfection - barely controlling her most magnificent and firm 36"JJ breasts. Sophie is a BBW but is not oversize.

The Story:

It was very quickly apparent that Sophie and I share a common understanding of what constitutes a true GFE. Lots of passionate kissing and tender caresses, leading to fragrant and satisfying (for both of us I think) reverse oral and truly wonderful oral without (but not to completion). All of this was, as it should be, unhurried.

Sophie is great company, she is chatty and interesting. We overran by some margin, so she is clearly no clockwatcher.

A great experience with a great girl! - very highly recommended.
