The Premises:

Comfortable room in safely impersonal, conveniently located, four-star west London hotel.

The Lady:

Gorgeous, tall 24-year old blonde, with good 34D figure. Much nicer looking than her website pictures. Don't be surprised by her tattoos. They're not shown in her pictures, but she obviously likes them and they didn't worry me.

The Story:

Some punts are meticulously planned in advance. This one wasn't. No research, no access to the Internet, but with a desire for a sexy busty blonde, I simply phoned Maxes at 9 45pm on a Saturday evening and asked who was available for an incall. They suggested a choice of two, the first of whom was Alex, described as blonde, full-service. I couldn't recall her from the website, but I chose her and ninety minutes later was ringing the door-bell to her hotel room.

Alex was great. Good-looking, sexy, friendly, and with a voracious appetite for sex. We did a bit of everything, but the highlight for me was the most fantastic anal, accompanied by vocal instructions and encouragement which maximised the pleasure for both of us.

She's a nice girl, a bright girl, with a craving for sex. She was good company, and I couldn't have chosen better. Alex, many thanks. I hope to catch up with you again soon.
