The Premises:

Ground floor flat in Bletchley area of MK, apparently shared by other WGs, clean enough (not an issue once you meet Linzi). Car parking very good and easy to find (although I managed to provide a great first impression by messing that up!)

The Lady:

Suffice to say the other reports are spot on. The photos on her website are recent and accurate. And she has the kind of eyes I could stare into forever.

The Story:

For a first-timer, Linzi's approach was perfect. Friendly and welcoming, I very quickly had no doubt in visiting. Offered (and took) a shower and a drink on arrival, kissing and a gentle massage to start. OWO and a half-dozen different positions before my turn to go down on her, and then back to being my turn...

Linzi gave me an amazing feeling of connection with her from the very beginning, and it certainly helped immerse me in the best GFE I think I could conceive of. For me, this was a considered decision, and I drove more than an hour because I believed Linzi to be the best around. I wasn't disappointed. Thank you, Linzi.
